5. EAST CAMBS DISTRICT COUNCIL CALL FOR SITES

The Planning Committee discussed each of the 14 identified sites within the East Cambridgeshire District Council's Call for Sites report which had been published on their website. Following discussion of each individual site Councillors agreed to support all of the sites except one, namely Site 18/13 located at Padnal due to concerns over access/highway matters. The only other amendment agreed was in relation to Site 18/04 (Land to the north of Oak Lane) where the Committee believe that this should be for employment use only and not mixed use.

These recommendations will now go to full Council on 18th July 2016 for ratification before submission to the District Council.

There being no further business the meeting ended at 7.56pm
