

LITTLEPORT COMMUNITY
MEETING – MONDAY 6TH
AUGUST, 7PM, VILLAGE HALL

**Creating a safer
Cambridgeshire**

LITTLEPORT – “IT’S EVERYONE’S BUSINESS”

Dear Resident

We will be holding a Community Meeting with Cambridgeshire Police on Monday 6th August at 7pm in the Village Hall to give you all the opportunity to raise your concerns directly with the Police over recent instances and on-going occurrences of anti-social behaviour throughout the village.

We need your input to help the Police build a complete picture as to where there are issues, what the problems are and how we can all, as a community, work together to address these things. Without your input the Police are unable to build up a picture which will help them, and us, develop strategies to deal with things.

The Police really, really do need everyone to report any instances of ASB and this can be done via 101, online (<https://www.cambs.police.uk/report/Report-Shared/Report-a-crime>) or anonymously via Crimestoppers (0800 555111). Even if you are unable to report the moment you witness something please do try and report within 24-48 hours – all information helps them to help us.

We hope that you will be able to come along to the meeting on Monday but if you are unable to we would welcome your comments via email (clerk@littleportparishcouncil.gov.uk) or letter so that we can pass these on to the Police.

Thank you.

Littleport Parish Council
