

LITTLEPORT VILLAGE HALL MANAGEMENT COMMITTEE

The Management Committee of the Village Hall will be holding their AGM on Tuesday 20th March 2018 at the Village Hall at 7.30pm.

If anyone is interested in attending and considering coming onto the Committee, they would be very welcome.

The AGM will be followed by a normal Committee Meeting at which only Members can be in attendance, but if anyone comes to the AGM and is interested in joining the Committee they would be able to participate in this meeting.

The Hall with the help of the Parish Council has been updated considerably over the past few years, but we still need new blood to come onto the Committee to enable us to go forward with ideas for fund raising etc.

Please come along on Tuesday if you are interested in keeping this facility within the Village running.
